This is the version that has OGC's edits. Is it possible to use this one?

Sorry for the delay.

Hi, John.

Attached is the paper that has been coordinated by the Region and OWCD (with OGC involvement).

**Subject:** URGENT REVIEW: FL Assumption 1-pager due this morning

Folks—NLT then 10:00a, would you all take a look at the attached one-pager for use by Dave, Matt, and Trey in their conversation with the Administrator this afternoon. Note that I worked from the staff two-pager that had a couple rounds of review. Did a meeting with Corps Division happen yesterday and are there any key updates to share, Region 4? To get to one page, I had to drop background bullets on ESA, but I think this is consistent with Dave's direction to focus on the Corps retained waters issue.

Thanks!

John
